Thank you very much for putting your hand up for this vital role in our school. We very much look forward to working closely with all of you for the great benefit of the children, staff and school. Knowing all of you, it is inspiring to think that we will always have the children's best interests at the heart of any decisions we make as we know that is what you all focus on and that is what drives you.

It is a very exciting time for Opua School.

To those trustees who have served us up until now, we want to thank you all unreservedly so much for your contributions over the previous 3 years' term. It is most appreciated and your positive contribution to Opua School's success will not be forgotten.
