'Matariki Day' at school is on Friday, June 21st. If you know of any individuals who could help for a day teaching our students a new skill or craft, please tell them that we would be delighted to hear from them! Our idea is that we will rotate groups of children around each activity, so the adults would be 'teaching' the skill / craft for about 30 to 45 minutes to a group of children and then a new group is rotated to them and they teach the skill / craft again to that group. Hopefully, this will mean all our students learn the early basics of an exciting new skill or craft for them.

If you are able to help in any way please see a teacher. Thank you!

*** KEEPING OURSELVES SAFE ***

This is a notice letting you know about our upcoming teaching unit Knowing What To Do - Me Mohio Kea Pehea, which is part of the personal safety programme Keeping Ourselves Safe - 10th, 13th, 17th & 20th June.

Keeping Ourselves Safe enables children and young people to learn and apply a range of safety skills that they can use when interacting with others. Students recognise the differences between healthy and unhealthy relationships, and those who have been or are being abused are encouraged to seek help. Knowing What to Do - Me Mohio Kia Pehea, will be taught by Rob Drummond the local Police Education Officer and with help from your child's teacher as required.

To be successful, Keeping Ourselves Safe needs your help and support. It is important that you participate as much as possible and talk to your child about what they have been learning. This will help reinforce the messages the school is giving, and help your child to use his or her new skills with confidence.

If you have any queries please do not hesitate to pop in and see a teacher or Simon. For further information please google Keeping ourselves safe NZ Police.

Antibullying Workshop

This workshop will help to give your child some strategies to build resilience, so that they have the confidence to deal with stressful situations. The cost will be \$25 per child (Discount for Community Services Card holders). An adult will need to attend.

David Gray is a martial Arts instructor who has created this unique class to help children build confidence and feel safer.

When: Sunday 16th June 2 to 4pm

Where: Bay of Islands Community Centre, 1st Floor, 76 Marsden Road, Paihia (Stairwell behind Kebabulous).

Contact: Nikki Voakes if you are keen to attend on 021 054 1795.

Hoki ki Te Rito- Mellow Parenting Programme

Next course starts Tuesday 2nd July 2019

At the heart of Hoki Ki te Rito / Mellow Parenting Programme is learning and thinking about your relationship between you and your tamariki.

Mums and Dads groups are separate in the morning sessions and combine in Babies or Toddlers groups in the sessions after lunch - couples and single parents can attend. We encourage parents who are working to retain day to day care of their children, or working toward their return to attend. Our experienced facilitators work with the group to explore your own experience of being parented and your parenting experience.

Hoki ki te Rito- runs for 14 weeks on Tuesdays 9.30am - 2.30pm.

Based at 22 Te Kemara Ave Waitangi

All enquiries please get in touch with Kirsten Parker Van Eck Phone: 0276047901

Email: kirsten.parkervaneck@education.govt.nz

During Term 3 we invite parents, caregivers and community members to come forward and spend some time with the students of Opua School.

It is only one hour per week for about 9 weeks.

Over the years we have had pottery, candle making, knitting, kites, sports and woodwork to name but a few.

Both students and volunteers alike find the experience to be beneficial, it broadens the pupils interests and encourages community spirit. If you would like to donate some time and expertise during Term 3 please fill in the attached form. ☺

Clubs days are to be Wednesdays 2-3pm
