

OPUA SCHOOL

*Manaakitanga me te Awhina
Caring and Sharing*

23 July 2020
Term 3 Week 1

PLEASE READ THESE IMPORTANT SAFETY MESSAGES

PLEASE NOW: could all parents **COME ONTO SITE** and collect your children from just outside your child's classroom or a place you have agreed with them on the school property [e.g. the Playground]. The 'meeting at the gate' under Covid 19 restrictions no longer applies and it is much safer to collect children from on site

We are instructing children clearly that, unless clear and safe other arrangements have been made and communicated with the school [e.g. older child walks home with younger sibling], they **MUST** stay inside the gate and or inside or outside their classroom, until collected by a known adult

If you access the school site at any other times than drop off and pick up times during the school day, [a] **PLEASE shut the school gate behind you;** and [b] **go to where you are going via the Main Office.** If you are signing your child out early, collect them from the classroom but then **ALWAYS** sign them out via the Front Office with Maree and/or our Attendance tablet

PLEASE [especially Room 1 and 2 parents] could you never access the school or exit the school via the Staff Carpark gate. Please use one of the other three gates provided. Also, please never use the staff carpark for drop off or pick up purposes

Children need to be collected at 3pm when school officially finishes. If you are **unavoidably delayed PLEASE - you MUST let us know.** More and more children are 'hanging around' after school and sometimes don't know why their caregiver is late or who is even picking them up and the school also has not received information. On occasions, this has caused children some significant distress

If you know that your child brings a cellphone to school for safety reasons so they can contact you outside school hours, please help us by telling them that they **MUST** hand their phone in to Maree or Mr McGowan as soon as they come onto site and collect it at 3pm when they are leaving school. It is a school safety rule that children must never have their cellphones on them during school hours. This is non-negotiable. If any child keeps failing to hand in their phone, this privilege of bringing a phone to school will be removed. Phones should only ever be with children if there is a genuine safety reason for it. Otherwise, they are best left at home
