# CLUBS 2020

## THANK YOU

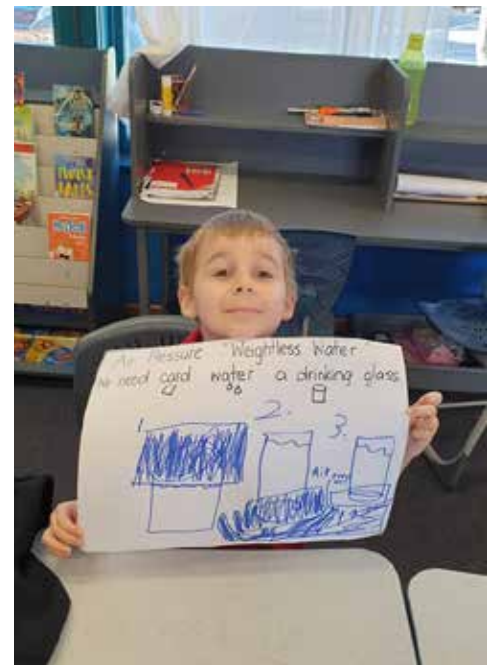

### TO EVERYONE WHO HELPED WITH CLUBS 2020

We are very grateful to all helpers.

It is FANTASTIC to see so many keen people who are willing to give up their time to make this a wonderful opportunity for our children.

The school sees the benefit of Clubs, not just the activities, but the small group situation, mixing with other age groups and benefiting from working and communicating with other adults in our school community.

Sadly, due to the Covid situation we have had to cancel any remaining Clubs' lessons. We will be picking up from where we left off in term 3 next year.
