THANK YOU!

Thank you so very much to every single person who has helped us this year by taking part in the fundraising efforts of the wonderful PTA. Selling raffle tickets, organising donations and gifts from local businesses, cake stalls, sausage sizzles and more. We would never be able to have the epic camps and trips that our pupils enjoy without everyone chipping in and sharing the load. Also thanks to every business that supports us by donating goods or services to us. The PTA will be needing a new crew in 2021 - have a think about it. ;-)
