

OPUA SCHOOL

Manaakitanga me te Awhina
Caring and Sharing

11 FEBRUARY 2022
Term 1 Week 2

ROOM TWO had fun blowing bubbles today. Bubbles are more than just a soap solution filled with air. Bubbles are actually made from a bubble film that looks like a sandwich with soap on the outsides and water on the inside. The soap works to reduce the surface tension of water so that the water can stretch. This means that bubble film is elastic and stretches out and snaps back to its original shape. SCIENCE is great!

WITH ROOM 5 away this week we have had two very capable future leaders step up and take on the Crossing Duty task. Ari and Eden have taken this job very seriously (which it is) and we appreciate their maturity and dedication very much. Also a big thank you to Jessica for being Bell Monitor AND running the Sports Shed. GREAT JOB!

PLEASE help us teach the children about Road Safety by MODELLING the use of the pedestrian crossing and at all times :-)

Have you ever considered joining the PTA?

Our next meeting is on the 17th of Feb in the Opua School Hall at 3.15pm.

It is a committee that enables the teachers and parents to work together, fundraising for the benefit of the school and its children.

If you have any fantastic fundraising ideas or have some spare time to help out with events then please come and attend the meeting.

We are a friendly bunch and welcome everyone.

School Stationery Fee

-Opua School provides our pupils with all their stationery needs throughout the whole year.

To help cover costs we are asking for \$50 per child, payable to the school before March 21st (if you can).

THANK YOU

Internet Banking - Opua School Board of Trustees 12 3102 0085328 00
(reference 'child's name' and 'stationery')

Thank you very much to those who have paid already.

It looks like Room 5 have had far better weather than us here in the North! These photos are very small but when Ms Halse gets back I will get some hi-res pics from her to put in the newsletter and on the website. It looks like they have had a blast. A huge thank you to Ms Halse for her commitment to the pupils and wanting them to have a great team building experience. Thank you to all the helpers - we couldn't do it without you! The class is due back tonight - please refer to previous communications from Ms Halse for times.
