## Clubs! Term 3 2022

Just a follow up reminder and request - if you are able to offer your expertise in teaching a skill or activity to a small number of children for one hour a week next term, please let us know. You could be one of our Clubs' tutors! Clubs will be happening each Wednesday afternoon for 9 weeks from Wednesday July 27th to Wednesday, September 28th. If you can help, please ring or email Simon or Maree at school. Your offer of help would be most appreciated.

## A NEW SCHOOL APP - READY NOW!

### @school Mobile (eTAP)

A link, Instructions and usernames were emailed to every parent/caregiver yesterday afternoon. These will enable you to have secure access to our school app where you can communicate with the school, see contact info and hopefully, soon, sign permission forms (YAY)!

The newsletter can be read from the app, absentees can be sent from the app, the school can directly communicate with you (saving on SMS fees) and hopefully soon we will be able to have 'live reporting' where you will be able to follow your child's progress and be kept up to date with their learning.

This is pretty exciting and we would appreciate it if at least 1 parent from each family can make sure to install the app and ensure your notifications are switched on. Please let us know if you have any questions.

## THANK YOU!

Thank you so much for your understanding yesterday. We know it was a huge inconvenience to some whanau and we apologise for that. However, we are proud to be able to support our teachers and their continuing quest to obtain pay parity. It was an important meeting that resulted in a clear pathway moving forward and their union will continue to fight for them.
