## \*\*\*\*\* CLUBS 2022 \*\*\*\*\*

We had a wonderful start to our 'Clubs' on Wednesday afternoons yesterday! The activities are so varied and the children were so excited and into their new learning. For everyone's awareness we have been able to put together an incredibly varied programme including:

Scrap-booking, Lego Construction, Origami, Mad-Lab Science Experiments, Puzzles and Games, Dance, 3D Animal Wall-Art, Cooking, Photography, Chess & Go-Kart Re-Construction.

The incredible variety of activities is testament to the talent we have in our parent body and our staff and to their generosity in sharing their time and expertise with the children. I thank and celebrate all of them - including a few of our senior children who are demonstrating amazing leadership skills... keep it up!
